INTERREGNUM NEWS

Parish Representatives Barbie Lloyd and Richard Spurgeon have been appointed by the PCC to be the Parish Representatives. In just four weeks it will be them, together with Bishop Christopher and the Arch Deacon, who will interview candidates applying to become the new Vicar at St George's. They promise to use their best judgement as they try to discern the right person for the role. The Bishop has published advertisements for the post this week.

St George's has been very fortunate to be led by Father Mike and Lynda for several happy years but it is vital that we don't look backwards too much. St. George's can't use Mike's ministry as some fixed pattern to replicate at all cost. St George's is blessed with a devoted congregation that bring huge enthusiasm to liturgy, fund raising and our church community. It is vital that we recognise a new ministry which will start here soon. We must continue to contribute with generosity our time and talents. The gospel message is clear - we will grow and develop in our relationship with God.

Barbie and Richard ask that you join them as they pray for this process. In private prayer this week they will ask that the Holy Spirit moves the right person to hear about our parish vacancy. We pray that the right person will consider joining us to lead the next chapter of St George's journey. We pray that their contribution to the appointment process will be constructive and fruitful.

Barn Dance Saturday 11th November at 7.00pm in St. George's Church Hall. Bring food to share as in an American Supper, a raffle prize and not forgetting supply your own drink. Have you got your tickets? See Jane Rice-Oxley

The New Blendworth Association - Over recent years St. George's has been kind enough to support this local Special Needs Centre for adults with learning difficulties by way of retiring collections. The Centre now has an urgent need to replace one of its minibuses and has made an application to the Aviva Community Fund for a grant of up to £5000 to help with this project. Funds are allocated by the fund on the basis of votes cast for the project and if you would like to assist by registering with the fund at <https://www.avivacommunityfund.co.uk/acfcms/get-involved> and voting accordingly, your help in this way would be greatly appreciated.
