Introduction

Today we celebrate the coming of the gift of the Holy Spirit on the Apostles and the continued presence of the Holy Spirit in God's Church. The dramatic manifestation of the coming of the Spirit on the Apostles is told in a dramatic way in the Acts of the Apostles. Now those who had been frightened and unsure can become fearless witnesses to the Gospel. We too in our own generation have this gift of the Spirit which enables us to proclaim the Gospel in our own generation.

Ray Kent RIP

It is with sadness that I announce the death of Ray Kent. Ray and Pauline have been faithful members of our congregation for a short time but have become much loved. You will have been aware that Ray had been ill and in hospital a while back, but recovered and was able to return home. Sadly, Pauline died in March. Ray's own health declined somewhat in recent weeks and he was readmitted to hospital following a stroke. May he rest in peace, and rise in glory.

St George's News

We would like to repeat last week's plea for contributions for the next issue of our parish magazine.

Please consider writing an article on any subject of your choice, long or short, with photos and/or illustrations. Suggested topics might be your thoughts and experiences of the lockdown, any hobbies you have taken up or had time to go back to or perhaps what you are particularly looking forward to when normality is restored!

Please note that any third-party material needs to have the author's permission for copyright reasons.

Please forward your contributions as soon as they are ready so work can start on putting the magazine together. We would like to publish sometime in July so the final deadline will be approximately three weeks from now.

Emails to: feedback@stgeorgesnews.org

Many thanks.
