Sara requested we use Easy Fundraising. There had been no unexpected expenditure, and we are on track for income and expenditure projections/budgets.</p>
<p>9.</p>	<p>Fabric & Finance Report: Chris Gadd has filed an insurance claim for income lost during lockdown. St. George's is not on "the list" of those entities that are covered. However Chris is still trying, though he is not hopeful of success.</p>
<p>10.</p>	<p>Weddings & Funerals: Sara stated that fees for actual wedding services are set by the Church of England, , with additional fees set by the parish for "extras" such as an organ, choir, flowers, etc. She has requested that we ask for the 'extras' "" to be paid in cash, so as to avoid any complications with the various bank accounts. There will be an All Souls requiem service on 31st October, for all who died during the Pandemic. Fr. Colin stated that the appointment of a non-stipendiary, part-time curate at St. George's has recently been agreed.
